Tablet Keylines and Spacing

Use the layers palette to toggle keyline and spacing guides

Fixed increments determine widths of structural UI elemtents. For tablet we use a 64dp increment.

Vertical keylines determine placement of type and icons from edges of elements.

Vertical sizing determines the height of content blocks.

Horizontal margins determine spacing.

, when Gregor Samsa woke from troubled dreams, he found himself
in his bed into a horrible vermin. He lay on his armour-like back, and if he
d a little he could see his brown belly, slightly domed and divided by
tiff sections. The bedding was hardly able to cover it and seemed ready to
moment. His many legs, pitifully thin compared with the size of the rest of
bout helplessly as he looked.

ened to me?" he thought. It wasn't a dream. His room, a proper human
gh a little too small, lay peacefully between its four familiar walls. A
